**Please insert a photo (chest up) of each nomination for your Club
in jpeg format – low resolution.**

Thank you.

Jim Tyrpenou
Deputy President
SLS Lower North Coast Branch

Telephone: 6553 7629

Annual Awards Guidelines

1	Each Club will only be allowed to nominate one person per category
2	The Branch will officially invite the Nominees for the Special Awards and advise nominees that they have been nominated for an award. The clubs will be billed for their nominees Clubs are strongly encouraged to ensure that nominees attend the awards night.
3	The aim of the nomination form is to collect essential data from each nominee, which will assist the review committee.
4	All details must be completed and emailed to Jim Tyrpenou at admin@sllnc.org.au <u>Nominations will only be accepted on the form provided.</u>
5	A separate committee will review the nominations and select the successful nominees.
6	<u>The Administration Award is open to any member of the Branch/Club who is responsible for administration of Life Saving (e.g. Club Captain, Chief Instructor, Registrar, Secretary, Treasurer etc.).</u> These are only examples, as there are many parts of Life Saving that require constant Administration for the Day to Day functions. Surf Life Saving relies heavily on the assistance of these valuable people, whose contribution to Surf Life Saving is rarely rewarded.
7.1	The Life Saving Awards are for Outstanding Contribution to Life Saving. Life Saving is our priority. There are many Life Savers who give an enormous number of hours to Life Saving by training of new Life Savers and patrolling our beaches, repairing and maintaining rescue equipment. It must be noted that because a Life Saver has not achieved 100% as per the patrol rosters this should not exclude them from consideration for this Award, provided they have arranged a substitute for their patrol and completed the make up patrol. We must acknowledge that, as many rosters are set early in the Season, it is impossible for the Roster to cater for individual requirements. We need to be flexible to allow Life Savers the discretion to swap their patrols without a penalty.
7.2	Candidates may be required to attend an interview for some awards prior to the presentation of awards.
8	The Competitor Awards will require a process of evaluation on the basis of commitment to competition and training. Not all Competitors have access to competition outside the branch, and should not be disregarded purely on this point. However there will always be outstanding Competitors within Clubs. These awards are designed to reward competitors who show genuine effort and commitment in competition.

Life Saver of the Year Award – Under 15 (Junior)
