Branch Report August 2010

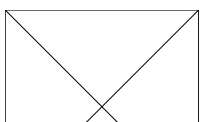

Our club AGM was conducted on Sunday July 25th with the bulk of office bearers being re-elected for the 2010/2011 season. A list of relevant office bearers has been submitted to branch.

Thanks to Godwins Green Energy our club solar system has been installed, commissioned and is delivering power back to the grid.

Our club hosted a group of Japanese Exchange Students from Chiba Nichidai on Friday 30th July 2010. The day gave students an introduction into Surf Life Saving and was enjoyed by all. Thank you to Andrew Jones for his nomination and support on the day.

On Saturday July 31st our club conducted a Junior Activities forum involving 15 members. A SWOT analysis was undertaken and a program involving our Cadets assisting our Junior Age Managers this season will be rolled out. Our members are enthusiastic and willing to help to ensure the re-vamp for our junior program this season.

Yours in Surf Life Saving
Allan Davis
